From the Vicarage

This year, as we celebrate Harvest, we are supporting some of the poorest people in the world who still have no access to land of their own. Christian Aid is working with some of the most marginalised people in India on land rights, helping them to secure their land for the future, to give them a good place to live and land from which to feed their families.

You can find more information about this on the Christian Aid website:

<http://www.christianaid.org.uk/getinvolved/harvest/index.aspx>

In the Bible, land is a sign of God's blessing:
You shall eat your fill and bless the Lord your God for the good land that he has given you. Deuteronomy 8:10

This is our hope and prayer for these landless people in India - that they would be able to give praise to God, having seen Christians at work, supporting them in their struggle for land and, through all this, experiencing the redemption and new life which is what the Christian good news is all about.
